Chideock WI/Waitrose

Chideock WI will have a slot from 1 July for a month in the Waitrose Community Matters charity initiative in Bridport. I would like to encourage all Chideock shoppers to cast their vote for us by putting their green tokens into our slot so that we gain a substantial proportion of the money available during July. This money will then be used to support community projects.

THE CHIDEOCK VILLAGE LUNCH

This month the date of the lunch will be 31st July, (last Tuesday in each month) in the Clockhouse, 12:30 for 1:00. This is a very pleasant meal at a reasonable cost, in congenial company, so if you would like to be included and are not yet on the phone list please contact Judy Campbell on 01297489121.

CHIDEOCK CHATTERS ...

I started 'Chideock Chatters' a while ago for women to get together, have a chat, a glass of wine and meet others. Whilst there are lots of groups meeting during the day, there wasn't anything for working ladies or ladies who have other commitments in the day time. So we meet in the evenings!

The group has been a success and we have a 'get together' in one of the local pubs or the village hall every 6 weeks or so.

If you would like to join in and come to a 'get together', please email or phone me and I will put you on the mailing list. jane@warren-house.com tel no. 01297 489996

Chideock WI June 2018

The speaker at our June meeting was Julia Snellock, President of Thorncombe WI, who held the undivided attention of our members for one hour as she talked about thirty years of decorating eggs! She brought with her the most amazing collection of intricately decorated goose and guinea fowl eggs. There was a musical box, a clock, an egg with a painted wren which involved applying and sanding 30 coats of varnish to achieve the transparent finish. Not only did we marvel at the decoration but also the technicalities of applying such things as hinges to fragile eggs which when opened contained a variety of treasures. One of her eggs is in Windsor castle, a present to the Queen for her golden jubilee from the WI. Unsurprisingly Julia has tutored at Denman College and been president of the Egg Crafters' Guild of Great Britain.

Members will be going to Forde Abbey for the July meeting, continuing the tradition of the members organising one meeting away from the village hall. We are grateful this year to Karen Warburton for her help with this

Chideock WI Craft Group continues to thrive with members currently working to produce "Story Bags" for an innovative research project which is a partnership between Dorset County Council and the Open University to develop children's reading skills. Annette Jones showed us her Story Bag.

Tish Wynford-Thomas recently visited the Macmillan Breast Care Nurse Specialists, based at Dorchester Hospital, and presented eight comfort cushions made by our craft group for mastectomy patients who need them.

Would you like to meet us and see what we can share together? If you would then please just call Anne: 01297 442 558; Ann: 01297 489 532.

COMMUNITY CAFÉ

Every third Friday in each month a 'Community Café' is held in Chideock Village Hall. There is no charge for the wonderful cakes, tea, coffee and soft drinks, made and served by local ladies between 2-4pm. All are invited and made most welcome. There is the possibility to give a donation if you so wish. The time and dates are advertised in the Chideock Parish Magazine and Marshwood Vale magazines every month.

Every month it is the same few people supporting and I am upset that so few people attend. Come on! You people out there, it's FREE and the benefit of meeting new people and being part of the community (which is the whole point of these ladies efforts) giving you a lift in your life, taking the stress away and taking so little of your time ... SO LET'S SEE YOU THE NEXT TIME 'COMMUNITY CAFÉ' IS ADVERTISED.

Note: there is transport available for those who are unable to attend under their own steam. Phone Jane on 489996 or me on 489477. Tony Fuller.

Thanks.....

Firstly, many thanks to George Dunn and Mike Kelson for removing the broken piece of play equipment from the play area at Clapps Mead; to Roger Carey for taking the tyres and chains to the recycling centre; and to Pauline Taylor at Brook Cottage who supplied electricity for the saw. It is hoped to purchase a replacement piece of equipment in the Autumn.

And secondly, the Clerk thanks Roger Carey, Laurie Elliot, Vanessa Glenn and Rob Murray who delivered A35 roadworks letters to the houses on the side roads and hopes that no houses were missed out.

More Help Needed.....

Are there any volunteers out there who would be willing to help erect 3 lengths of fencing behind the bench in the Clapp's Mean play area? It will need 4 solid posts and the Parish Council will pay for all materials.

Public Footpaths and Bridleways.

Keeping Public Footpaths and Bridleways clear is the responsibility of the land owner.

If you find a Public Footpath or Bridleway which is overgrown or ploughed up etc or a damaged gate / stile etc then please contact the Dorset Rights of Way Team. This can be done online (see below) or via Dorset Direct, giving the Footpath / Bridleway number and the location of the problem.

The Dorset Rights of Way team will then either ask the land owner to sort out the issue or will add it to their own list of tasks. However, do not expect the problem to be rectified immediately – both Dorset Rights of Way and landowners have many demands on their time and resources. Don't worry about whether the problem has already been reported - better it is reported many times than not at all.

Please note that stiles are the responsibility of the land-owner, but the land-owner does not have to make stiles suitable for dogs.

Keeping roads, pavements, street lights and signs clear of vegetation.

The following advice has been received from Dorset County Council for vegetation bordering roads and pavements maintained by them. The same advice applies to the A35, which is maintained by Connect on behalf of the Highways Agency.

“The cutting back of highway hedges and trees is the responsibility of the landowner or occupier on whose land the hedges and trees are growing.

It is the responsibility of all landowners or occupiers to ensure that their hedges and trees do not interfere with the safe use of public footways and roadways or obscure street lights and road signs.”

Dogs and Livestock.

Chideock is very fortunate in having a network of public footpaths over National Trust and privately-owned land. **On public access land containing livestock, you must keep your dog on a short, fixed lead (no more than 2 m in length).**

Dogs and livestock, (e.g. sheep and cows), do not go well together. People are often surprised to find that their friendly family dog chases farm animals.

If your dog chases or attacks livestock or looks as if it is going to, the landowner or farmer is entitled to shoot it. When taking a dog through a field with livestock be aware that they may chase the dog, particularly if they have young. A cow with a calf can be more dangerous than a bull. Consider your safety and that of your dog.

Dorset is home to many important species of ground-nesting birds, such as nightjar and lapwing. Your dog may mean no harm to wildlife, but nesting birds see dogs as predators and may leave their young. While parents are away from nests the eggs get cold, hatchlings could die of exposure, and scavengers like crows may target the nest.
