## New Rector for Golden Cap Team

After being without a Rector and Vicar for the Golden cap team since last November, we have good news!!

Rev'd Chris Martin has been appointed to be our new Team Rector. He is currently Vicar of four parishes in East Devon. We look forward to welcoming him and his wife, Tina, when they move into the Charmouth Rectory in the New Year, with their pet Labrador, Welly.

We shall soon be able to start to advertise for a Team Vicar as Chris will be involved in that process.

I would like to thank all the people who have worked so hard to keep the Team going for so long, particularly our LLM, Jim Pettifer, Rev'd Rosemary Bragg, Rev'd Ginny Lockett, and all the other people who have taken services in the various churches in the Team.

Val Hunt Church Warden of St Giles

### A SLIGHTLY MORE SERIOUS NOTE:-

We really could do with some help on the quiz evenings in putting out the tables and chairs, The job, whilst not terribly onerous, has become too heavy for Guy (and me) to do. Hearts and Hips don't last forever!! If we could ask for a couple of volunteers to turn up at 6pm (when the ladies start the catering prep) to lay out the hall, normally we put out approx 12/14 tables and 4 chairs to each. So if you can, please help, we will be most appreciative.

Very Best Wishes to all and Merry Christmas

See you at the 2020 Quiz programme. John

## Time to make a difference

Age UK Dorchester has need of volunteers to join its Reach Out service to provide company and social support for older people. Volunteers are currently needed in the Bridport area. If you are finding it difficult to get out of the house to meet people and make new friends, the Reach Out service aims to give older people a helping hand to do just that. Volunteers can accompany older people to groups and clubs until they feel confident enough to attend on their own. Alternatively, if someone just wants some company they can receive a visit from a volunteer for coffee and a chat.

If you are a good listener, have some spare time to give and would like to make a difference to the life of an isolated older person, Age UK Dorchester would like to hear from you. Volunteers play a vital role in providing a much needed service to older people in the community and enable them to stay connected to the world around them.

For more information about the Reach Out service and volunteering, please contact Lisa Holmes on 01305 269444 or email

## DORSET COUNCIL TRADING STANDARDS

### **Christmas shopper? Remember your online safety checks**

Consumers could be putting themselves at risk of online fraud this Christmas. Past research has shown that more than two thirds of those surveyed leave out key checks when shopping online.

Simple online shopping safety checks include: look for signs that the website is using a secure encrypted connection, the little padlock sign should be showing to the left of the website address; read the seller's returns policy; search for reviews about both the seller and the product you're buying; bad spelling or grammar on a website can be a sign of a scam; look for a land line number and a head office address.

When people were asked for the reasons why they had not safety checked websites when shopping their responses varied but included 'being in a rush' or 'looking for the cheapest offer'. Fraudsters like people to rush into buying something without first taking reasonable checks, they also promote goods cheaply to draw shoppers in.

Purchasing products via social media is notoriously risky as it's hard to police and it's awash with misleading advertising, counterfeit and unsafe products, subscription traps and other scams.

As we approach the festive season take time when buying online and do take some simple steps before pressing the 'purchase' button.

If you have a concern regarding something you buy then you can contact the Citizens Advice consumer helpline on 03454 04 05 06. As well as giving you advice, the consumer helpline can pass information about complaints on to Trading Standards to investigate.

Grateful thanks to everyone who so generously supported this fund raising event in their own ways.

**Website:** [chideockpc.org.uk](http://chideockpc.org.uk)

**Address:** 60 North Allington, Bridport, DT6 5DY

**Phone:** 01308426327

Please note that the Clerk works 30 hours per month so may not respond immediately. Chideock Parish Council meets at 10:00 am on the last Tuesday of the month. There is no meeting in August or December.

Do come along if there is anything you would like to raise with the council – there is a Democratic Period near the start of the meeting where you can have your say and ask questions. The Parish Council website address is **[chideockpc.org.uk](http://chideockpc.org.uk)** Here you will find lots of information about the Parish Council, how it works and what it does.

The Parish Council encourages residents with internet to look at the Parish council website as this gives access to correspondence, etc.

Information for forthcoming Parish Council meetings is published on the website on the Thursday before the meeting and draft minutes of meetings are published within 28 days, usually much sooner. A copy of the agenda is posted on the Parish Council noticeboard, at the village shop.

**Copies of recent correspondence with external bodies is now available on the website, including that referenced below.**

### **A35 Update – Speed Limit Reduction Trial.**

To date Highways England has not communicated any progress or results of the trial to the Parish Council despite the statement in the 2<sup>nd</sup>

## Chideock Parish Council (continued) ...

letter sent to residents that “We will communicate the progress and results of the trial through your elected members on the Parish Council and suggest you channel any questions through them.”.

The Parish Council has not received satisfactory answers to the following questions / requests, the response received is in **bold italic**: -

1. A new date for the Highways England / Dorset Council Quarterly meeting, to be held as soon as possible. As previously stated, the Bridport A35 meeting is not an adequate substitute for the meetings between Chideock Parish Council, HE and DC. ***“We attend a well-established and regular meeting with Sir Oliver Letwin MP, the Town, and Parish Councils at the ‘A35 Working Group’, which meets on a quarterly basis. Chideock Parish Council are represented at this meeting and we consider this is the appropriate forum to discuss the key issues. Chideock Parish Council may request agenda items to be included in advance of these meetings. The next meeting of the A35 Working Group is on 17 January 2020 and we look forward to meeting representatives of Chideock Parish Council.”***
2. Clarification regarding the provision of speed enforcement in both directions on Chideock Hill for the duration of the trial - type, when to be implemented, duration of enforcement, section of highway to be covered. ***“We’ve not given a commitment to speed enforcement in the section of the A35 as part of the speed reduction trial. We don’t hold the powers of enforcement in this matter and any enforcement on the highway must be done in partnership with the police.”***
3. Why is speed monitoring only being conducted for 2 weeks? ***“Two weeks of monitoring traffic speeds provides sufficient information to enable decision making.”***
4. It is noted that a sign warning of the speed limit change westbound has been erected just past the Village Hall and a VAS (Vehicle Activated Sign) installed further up Chideock Hill westbound. However, there is no equivalent sign in advance of the start of the 30 mph limit eastbound at the top of Chideock

Chideock Parish Council (continued)

Hill, nor is there a VAS. Can these please be installed ASAP?

***“We have no plans to erect further speed warning or vehicle activated signs in the eastbound direction, as there is no appropriate temporary place to site these for the duration of the trial.”***

5. How long will HE maintain the trial if it becomes evident that it is not reducing pollution (and maybe even increasing it) and / or is causing additional traffic congestion. ***See response to next question.***
6. When will the Highways England data from the new diffusion tubes, collected BEFORE the speed limit trial started, be made available to Dorset Council AND to Chideock Parish Council? ***“The air quality data sets associated with the trial will be reported on completion of the trial and we will share our conclusions with the Parish Council at that time. We will not release incomplete evidence in batches ahead of the conclusion of the trial as it will be meaningless without the full data set. We’ll continue to review data cumulatively as it becomes available which will provide the evidence base for deciding a completion date for the trial. As the duration of the trial is an on-going process based on the incoming data, we currently anticipate this may take 18 months from the date of the confirmation of the Temporary Traffic Regulation Order (up to January 2021). We will advise you of any changes to this current estimate.”***
7. When will the Highways England data from the new diffusion tubes, collected AFTER the speed limit trial started, be made available to Dorset Council AND to Chideock Parish Council? ***As above.***
8. When will the Highways England data from the "smog van", collected BEFORE the speed limit trial started, be made available to Dorset Council AND to Chideock Parish Council? ***As above.***
9. When will the Highways England data from the "smog van", collected AFTER the speed limit trial started, be made available to Dorset Council AND to Chideock Parish Council? ***As above.***

The Parish Council is considering the best way to respond.

*Why not enjoy what could be the best  
years of your life?  
What would you spend that extra  
money on?*

If you are aged over 55 and you own your home you could be eligible for a range of financial products which release the value tied up in your home as a tax free cash lump sum which can be used in any way you choose. In addition to this you can set up a reserve from which you can draw down further funds and only be charged interest on what is used. Furthermore, most of these plans require no repayment of the capital until your home is sold after your death or permanently moving out of your home.

It may be well worth considering that Equity Release could now provide you with the lifestyle you deserve.

There are some very reassuring aspects to these plans:

- The right to live in your own home for your lifetime
- The freedom to move home to another suitable property
- A 'No negative equity' guarantee, ensuring that you will never owe any more than the value of your property

We are an established family run company who offer specialist advice on Equity Release whether now or in the future. We have a Retirement Specialist who resides in Chideock who can help you choose the right plan to suit your needs in the comfort of your own home.
