## Tony Fuller 1933-2021

Percival Anthony Fuller, better known as Tony. A man I knew of through our wives rather than knew but discovered that strangely we had places and people in our past that linked us. Tony was born to poor parents at The Middlesex Hospital, a place I was to know well in later life. Tony's early years were very hard until he was evacuated to Swyre during the Second World War where life here was a revelation and he flourished. He was later to return to Swyre, a place which was always special to him for the rest of his life. Tony had, had hard start in life with many ups and downs until he met and married Pam. Not everything was rosy, but they had many good, fun years together.

Pam & Tony moved to Chideock in 2002. It was sometime after this that we met up at Chideock village hall at one of the many lunches or such like. We got talking like old men do, he happened to mention the Bristol Unicorn's a youth marching band, my mistake was to reply "Oh! I know of them. My son was in a marching band which competed against them and won on one occasion." Then the conversation started when, where and how? It transpired that we both attended many band competitions during in the 1980's, either supporting each other's band or me in an official capacity policing the event. Feelings could run high with up to a thousand young and high spirited band's people with their supporters. Pam was always at the competitions with her majorettes giving support and encouragement to the Band. While in Bristol Tony set-up A One Hundred Club and raised many thousands of pounds for the Bristol Unicorn Band.

It is Tony that we have to thank, for setting up the Chideock One Hundred Club in 2012 which is still running today, and the funds raised support local projects.

Tony like to write; he wrote and published the story of his life, but dear to his heart was writing poetry. I am sure many of us have a book of his poems on a shelf somewhere and the recent one he wrote for the Chideock WI's 100<sup>th</sup> anniversary has gone Dorset-wide, if not further.

In May 2010 Tony started his campaign to try and make safety changes to the A35 after many promises by local councillors and our then MP. The campaign was halted in August of that year and as we all well know the only thing that has changed on the A35 since then is the increase in the volume of traffic, but it is surprising how many people visiting still ask if this is the village where a man brought traffic to a halt for miles!

Both Pam & Tony were very active in Chideock. Pam was an active member of the Theatre Club, served on the Village Hall Committee, assisted with the fortnightly Bingo and was on the WI Committee, as well as a reliable pair of

hands as a member of the Friends of St Giles Church, willing to help wherever she could. Tony was a willing door keeper at Village Hall or the Friends of St Giles events and running raffles. If ever there was an opportunity to raise money for a good cause Tony would be there to put his shoulder to the wheel. Both Pam and Tony were great supporters of the Chideock Society and regular church goers; wherever Pam was, Tony

would not be far behind supporting and vice versa. It was a sad night in early 2020 when I drove Pam and Tony to the Hospice in Dorchester where Pam

sadly lost her fight with cancer. Tony was not in good health himself but after this the light went out of Tony's life. May they both rest in peace.

Diane & Richard.

**On behalf of the Family.**

We would like to thank everyone for welcoming them both into the village and for all the love and support they provided to both Mum and Tony in their later years. As we're so far away it has been a source of comfort to know they both had such caring friends looking out for them.... Thank you from the bottom of our hearts...

Nicola, Mark and partners Mick and Donna.

**Are you interested in wildlife gardening?**

Jeanette Smith has been doing a wonderful job managing the award-winning wildlife area in St Giles Churchyard over many years. Sadly, Jeanette's knowledge and expertise will be greatly missed.

Diane Benjamin has been assisting Jeanette with the area, but she will now need help. If you can spare an hour or two a month, please give Diane a call on 01297 489298. Thank you. Val Hunt. Church Warden of St Giles

**Chideock Village Hall Re-opening**

The Chideock Village Hall Committee is delighted to announce that the hall is now available for hire again.

As a way of welcoming you back and to thank you for your continued support, we are offering a discount of almost 50% on hire fees until the end of May 2022. Hall hire is reduced to £14 a session (from £27) and kitchen hire charges have been halved. This has been made possible by grants received from Dorset Council.

In addition, a grant from the Parish Council, as well as donations from people within the village, have enabled us to continue with a programme of maintenance and improvements, securing the hall's future for years to come as well as making it a more welcoming venue.

Planned event: Our first Community Café will be held on 25th June.

We have also received a substantial donation from an anonymous party to fund an event in the autumn to thank all those who have helped others during the last year. We look forward to welcoming you all back to the hall.

I am indebted to all the efforts of Paul Ramsden for attending endless Zoom meetings with Dorset Community Action and ACRE which has kept us on track with what we have been allowed to do, Roger Carey in obtaining grants and keeping our accounts and David Jones for all his hard work with maintenance & improvement works which has including the removal of over 800kg of old ceiling tiles and taking them to the tip.

### A POEM FROM THE PAST

Hickory Dickory Dock, Chideock's got a clock; Pat's on the council, and winds the clock, Hickory Dickory Dock.

Hickory Dickory Dock, the parish council is in shock; Pat gets paid (*15 shillings a week*), it's not allowed, he cannot wind the clock.

Hickory Dickory Dock, Pat no longer winds the clock; Rob winds it now and gets no fee, so not a problem should there be.

Hickory Dickory Dock, winding is a paid job; Paid or not if on the council, Rob cannot wind the clock.

Hickory Dickory Dock, lots of winding in Chideock, winding here, winding there, and it's not only the clock.

Hickory Dickory Dock, the council won't be mocked, call the police, make a scene, the chairperson has gone amok.

Hickory Dickory Dock, the weights have gone from the clock, tongues are hissing, Rob is missing, and the police are back in Chideock.

Hickory Dickory Dock, the council's a laughing stock, all over England people snigger, but in Chideock the council with rage quiver, can't they see they've lost the plot.

## ARE YOU INTERESTED IN CHIDEOCK HISTORY?

We are in the process of setting up a new website in connection with the history of Chideock. The Chideock Society holds a huge archive of old photographs and other memorabilia and we hope over the next months to 'scan' all this material in to the new website so it is held safely and for everyone to see. The hard copies can then be placed with the Dorset Archive. If you can help in any way please contact Lyn Crisp on 01297 489098 or email me at [lyncrisp@chideockandseatown.co.uk](mailto:lyncrisp@chideockandseatown.co.uk). We will also provide a link from the Community website to this new 'history website'.

## CHIDEOCK PRAYER NET

These are stressful times: at the time of writing we can't meet friends or family; we can't go to the pub, coffee shop or hairdresser; we can't go to church. But we can pray, and members of St Giles have always prayed for our village and neighbours. If you would like prayer for a concern you have, or to share your thanks for something (because good things are still happening!), please send an email to [chideockprayernet@gmail.com](mailto:chideockprayernet@gmail.com). Your request will then be sent on to individual members of St Giles. Your request will be kept confidential, and can be anonymous if you wish; even those receiving the request won't know who else is getting it. Peter Stapleton, St Giles PCC

## DORSET HOME LIBRARY SERVICE

### – DOORSTEP DELIVERIES

We are now providing a non-contact Doorstep Delivery Service across the county to those that cannot easily get to their local library, either short term or long term. Our volunteers have strict safety guidelines and all necessary risk assessments have been carried out. Books are chosen by staff at each library, based on individual preferences, and made ready for our volunteers to pick up and deliver to our clients' front doors. The volunteers will not enter the house at this stage, and they will keep a safe distance at all times; they can also pick up books and return them to the library. This service is entirely free and is available across Dorset and BCP areas. We are keen to let more people know that it is available to them if they find themselves unable to get to the library. To find out more please contact Maria Jacobson, Service Manager Dorset Home Library Service, on 01305 236666 or 07786 635154, or e-mail [maria.jacobson@royalvoluntaryservice.org.uk](mailto:maria.jacobson@royalvoluntaryservice.org.uk)

## Chideock WI June Report

After weeks of wet, cold and unsettled weather when it was thought that gazebos would provide protection from the elements rather than the sun, we were blessed with a wonderful day for our garden party to celebrate 102 of Chideock WI. 26 members were very happy to meet up in our President's garden and enjoyed a delicious tea provided by the Committee.

This month sees the Book Group meeting up in The George to discuss 'The Beekeeper of Aleppo' by Christy Lefteri. The members have been very grateful to Roz Hipkiss who has kept the group going either through Zoom or by hosting groups of six, when permitted, in her garden.

Lunch and a Natter resumes this month, 28<sup>th</sup> June 12.30 for 1.00pm, at The George.

The Walking Group chose a very hot day for the postponed walk along the old railway track from Loders which took in an old station platform; thank you, Rosemary for leading.

A lovely day was had at Powderham Castle for the Toby Buckland Garden Fest and a visit to the Fishponds Gardens including one of our own members, made for a busy few days for members of the Gardening Group.

Finally, the Craft Group met for a Knit and Natter session on 22<sup>nd</sup> June,

It has been wonderful to have such a busy month, being able to meet face to face again and have a 'good natter'.

**Parish Council Meetings are now being held in-person at the Village Hall. The Parish Council will follow the COVID-19 instructions issued by the Village Hall Management Committee, together with 2 metre social distancing and the wearing of face coverings.**

## **Vegetation Overhanging Footways and Watercourses.**

A reminder that it is the responsibility of the owner or occupier of land or property to ensure that

- a) vegetation growing on their land does not impede pedestrians using a footway of any kind
- b) vegetation growing on their land does not restrict visibility for pedestrians and drivers
- c) vegetation growing on their land does not overhand the carriageway where there is no footway
- d) vegetation or other material from their land does not in any way impede the flow of water. This includes anything overhanging the watercourse which could, in severe weather, trap material being carried downstream.

In addition, please ensure that vegetation trimmings are not left on a footway or carriageway of any kind nor allowed to fall into a watercourse.

## **Planning Applications - Neighbour notification letters**

The following information has been received from Dorset Council.

“In line with the Council’s agreed Statement of Community Involvement, from 1 July onwards we will no longer be sending neighbour notification letters for planning applications, unless these are specifically required by legislation.

All applications will continue to be publicised via site notices, and press notices will also be used where required by law. Details of all applications will still be published online, and we will continue to consult statutory organisations and town and parish councils.

This change will mean that we continue to meet our statutory requirements, applications continue to be publicised via site notice, and the planning teams can focus on clearing the backlog of planning applications.”

### **Dorset Local Plan.**

The following update has been received from Dorset Council.

“The first consultation for the Dorset Council Local Plan took place earlier this year and received over 60,000 comments via the web form, posted paper copies or via email, around 7,000 individuals responded. There was a good cross section of residents from all age groups, from 11 years old to 85 years old.

All the comments are being considered within the framework set by National Planning Policy which informs all planning decisions. We aim to publish the comments on the consultation in July.

The Dorset Council Local Plan contains strategies to shape the area over a 17-year period. These include planning growth in the right places at the right time, maximising the supporting infrastructure secured through development, boosting the local economy, and protecting the high-quality local environment. Without a plan, and an ability to show that it has a five-year supply of land for development, the council is open to challenge from developers who would then be able to build homes in unplanned locations potentially harming our high-quality environment.”

The timeline for the production of the first Dorset Council Local Plan is:

#### **Stages 1 to 3**

- Prepare a consultation plan from previous work and gathered evidence.
- Consultation January 2021 – Complete

#### **Stage 4**

- Review the consultation responses, gather the necessary evidence, and review the local plan
- March 2021 to January 2022 - underway

#### **Stages 5 and 6**

- Prepare the submission version of the plan and supporting material and submit to the Secretary of State for examination in public
- May to October 2022

#### **Stages 7 and 8**

- Public examination by planning inspector
- 2022/2023

#### **Stage 9**

- Plan is adopted and used as part of the development plan
- 2023
