## PROPOSED TEMPORARY CLOSURE OF NORTH ROAD, CHIDEOCK

I have received an application from National Grid Company to close NORTH ROAD, CHIDEOCK between its junction with Winniford Close and its junction with Yenhay Lane, a distance of approximately 200 metres. The closure has been requested to allow National Grid Company to replace overhead wires and poles. These works are programmed to commence between 0800 and 1800 on 09 February 2023.

National Grid Company will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Izzy Rowland, (trafficteam@dorsetcouncil.gov.uk) by 25 January 2023.
