

## **100 Club update**

I am delighted to say that although some numbers have dropped out but also some new comers into the village have been taking those numbers

I Have therefore been able to give a cheque to the value of £1,100 to the Chideock Parish Magazine with the subs this new year

The only out going from the 100 Club is the Lottery Licence which thankfully is still only £20.00 per year

Many thanks to those who participate in this worth while flutter to part fund the Parish Magazine
