## **On behalf of Golden Cap Churches Rev Fi – Your new Team Rector - introduces herself!**

What an amazing place to find myself, surrounded by some of the most beautiful views and coastline in the UK! Leaving behind the concrete, the noise and busy-ness of west London, I moved here on the 22<sup>nd</sup> May, had my licensing and induction service on 24<sup>th</sup> May, and am now slowly trying to get to know everyone within the many churches. Although my family, husband Brendan, my son Alex, and daughter Ellie, were with me for the licensing service, they have returned to London (Ellie to complete GCSEs) and university (Alex to complete his end of 1<sup>st</sup> year exams), and will be joining me later in June, along with our dog, Hazel.

I come to Golden Cap Benefice following 12 years of ministerial experience. My first post was with All Souls Church, St Margaret's upon Thames, where I was the community chaplain; leading pioneer ministry for a large social-housing estate in west London. Following this, I studied for my theology degree at St Mellitus, London, whilst ministering to St Mary's Osterley and St Luke's, Hounslow East. I completed my curacy with this parish, whilst also taking on the role of Estates Ministry Advocate for the Kensington Area in the Diocese of London.

Some of you may have heard that I started my working life as a dancer (as well as dabbling in a bit of singing and acting), following this I worked in the world of community development. This has somewhat shaped my ministry, as I love being out and about in the community getting to know new people and building networks – but in that world, I also had to deal with the day to day practical aspects of administration, planning, finance and buildings!

I believe in the Jesus of relationships and I believe in a church that moves through relationships; through listening, through responding lovingly and compassionately; through sharing joy, laughter, tears and stories. Our trinitarian God IS a continuous loving relationship, that invites us all in. And so, following in our God's example, I invite you all in to share in this new era of ministry in the Golden Cap Benefice. Whether you feel you are a key member of the church, whether you feel on the fringes of the church, or whether you prefer to stay out of the church, I invite you all to join with me in building relationships and networks in this beautiful part of Dorset. I look forward to meeting you!

Rev Fi Budden

## CHIDEOCK PRAYER NET

*Lockdown seems a thing of the past, even though Covid hasn't gone away, and we now have other problems to take its place. Members of St Giles have always prayed for our village and neighbours, so if you would like prayer for a concern you have, or to share thanks for something (because good things still happen!), please send an email to [chideockprayer.net@gmail.com](mailto:chideockprayer.net@gmail.com). Your request will be sent on to individual members of St Giles; it will be kept confidential, and can be anonymous if you wish - even those receiving the request won't know who else is getting it. Thank you.*

## Sponsor a Radiator

The good news is that we have, at last, got a Faculty (permission from Salisbury Diocese to proceed) to install the new heating system in our beautiful, Grade 1 listed, 14th century church, St Giles.

The PCC are busy applying for grants from various charities in order to pay for this, and will be holding fundraising events in the village.

If you would like to sponsor a radiator, and have your name remembered down the ages, we shall put a small plaque above the radiator you have sponsored. Perhaps you would like to join with the rest of your family to spread the cost and sponsor a radiator. Each radiator will cost £600.00. If you would like to be a sponsor, please contact Val Hunt, one of the Church Wardens of St Giles, on [valhunt2015@gmail.com](mailto:valhunt2015@gmail.com) or 01297 489417. Thank you.

## WELDMAR ...

At the end of May, the Chideock and Symondsbury fundraising committee welcomed guests to the village hall for a VE Day themed event raising funds for the Weldmar Hospice. On arrival guests were given a welcome glass of Pimms and once all seated, were entertained by the magnificent Decadettes singing group who entertained us all with their wonderful selection of 1940's and 1950's songs before closing with some community singing which all joined in and enjoyed. The entertainment was then followed by a mouthwatering High Tea with a delicious selection of savouries, cakes and sherry trifles. As afternoon tea came to an end, we all enjoyed a short quiz based around WW11 trivia, with the event rounding off with an excellent raffle.

The afternoon was thoroughly enjoyed by all and a magnificent sum of over £1400 was raised for the Hospice.

Thanks go to our main sponsor-Howdens Builders Merchants- the committee, to those who contributed to the event, to the Decadettes, Lyn Crisp for the old photographs and memorabilia of Chideock and of course to all of you who supported this wonderful afternoon event.

## **Dorset Home Library Service**

### **Bringing the library to you**

What could be better than getting lost in a good book?

Do you, or someone you know, love reading but find it difficult to get books from the library due to your caring responsibilities, health or mobility issues?

The Home Library Service is here to help: books and talking books are chosen individually for each person and delivered every three weeks from your local library by Royal Voluntary Service volunteers. This service is free and provides you not only with a regular delivery of books but also a visit by a trusted volunteer who you get to know over time. All our volunteers are DBS checked and carry ID badges. Maria Jacobson, Dorset and BCP Home Library Service Manager for the Royal Voluntary Service, says, "For people who enjoy reading or listening to an audio recording but find getting out of the house challenging, this service offers a vital link to the local library. It enables them to carry on doing something they've always enjoyed and helps alleviate feelings of isolation and loneliness." If you would like to find out more, please contact Royal Voluntary Service in Dorset by phoning our local office on 01305 236666 or email: [dorsethomelibraryservice@royalvoluntaryservice.org.uk](mailto:dorsethomelibraryservice@royalvoluntaryservice.org.uk) Or speak to staff at your local library.

## **Need help with the cost of travelling to school or college this September? The Chideock Village Trust can help**

As part of a new scheme, the Trust has decided to provide a flat rate grant of £500 a year to all young people in years 12 and 13 who are resident in the village. These grants are designed to support students to get to school, college or work placements - particularly vital given that public funding for school transport stops after year 11.

All you need to do to access a grant is to send an email to:  
[chideockvillagetrust@gmail.com](mailto:chideockvillagetrust@gmail.com)

We also consider applications from residents for grants to cover other educational or preservation activities, for example, financial help to attend a school trip, or to preserve a historically significant public building or space.

Just drop us a line using the above email address.

The trustees meet quarterly to discuss applications so you won't have long to wait to learn if your request has been successful.

## A Defibrillator for Chideock

Early in February a new defibrillator was installed on the wall of the Spar shop in Foss Orchard and it is now maintained and insured for us by West Dorset Leisure Holidays.

Over the past six months we have been calling for donations to help fund this acquisition and we are now pleased to tell you that not only have we paid back the WI for their original payment of £750 to purchase the defibrillator but we now have £1,170 in the bank to cover the cost of new pads and batteries as and when they are needed. There will also be money to put towards the renewal of the defibrillator which will be necessary some time in the future.

This is all thanks to the generosity of local people and organisations and we are grateful to you all.

The next move is to hand the money over to a group of younger people within the village who can open a bank account and manage the account on behalf of the village – more news on this shortly.

So that everyone knows how to operate the defibrillator, should it be needed, and also how to carry out CPR (cardiopulmonary resuscitation), we have arranged an open meeting at the Village Hall at 7.30pm on Tuesday 5 August. This will be led by John Preston, a member of West Bay Coastguard, who trains on behalf of the Somerset and Dorset Air Ambulance Life Support Scheme. Early CPR and early defibrillation can double a patient's chances of survival, which is why we want members of our community to have the confidence and skills to deliver early life-saving interventions. Please come along and learn or remind yourself of these important skills which might save a life.

## **Fighting Back Against Scam Mail**

In an age where internet scams dominate headlines, it's easy to forget that traditional postal scams still pose a serious threat, especially to people more reliant on letters through the post. That's why the return of the SCAMnesty campaign by the Friends Against Scams, and National Trading Standards Scams Teams, is both timely and vital.

SCAMnesty invites people across the UK to send in any unwanted scam or nuisance mail, completely free of charge, to help investigators disrupt fraud. The process is simple: just drop the mail into an envelope and send it to NTSST, FREEPOST, MAIL MARSHALS. No stamp is required.

This campaign will be running throughout the Summer, but you can send post to the Freepost address at any time.

Postal scams come in many forms: fake lotteries, bogus health cures, clairvoyant promises, and investment traps. They often use official-looking seals, urgent deadlines, and personal touches to manipulate recipients. The goal? To extract money through deception, often targeting older or isolated people.

By participating in SCAMnesty, you're not just clearing out your junk mail, you're contributing to a national effort to protect others. Every piece of scam mail sent in helps the National Trading Standards Scams Team build cases, shut down operations, and prevent future harm.

If you are affected by scam mail, perhaps you have lost money to a scam and would like advice on what to do, then visit [www.citizensadvice.org.uk/consumer](http://www.citizensadvice.org.uk/consumer) or phone the Citizens Advice consumer helpline on 0808 223 1133. Trusted advice will be provided. Citizens Advice will also identify people who may require more support, and a referral will be made to Dorset Council Trading Standards.

## BRIDPORT NEWS 31 AUGUST 1888      CRICKET

I had heard there was to be a ladies' and gentlemen's match at Chideock, so I naturally looked forward with a considerable amount of interest to the reading of the respective scores of that match. To my astonishment someone informed me that the fair petticoats of Chideock who indulged in that extremely, what shall I say, un-feminine game of cricket, were, I suppose, too modest to allow their names appearing in print. Did their consciences smite them? Were they troubled with thoughts as to whether they were in their right places in the cricket field? Oh for the modesty of woman!

"Oh, woman in our hours of ease, Uncertain, coy, and hard to please,  
And variable as the shade, By the light quivering aspen made;  
When pain and anguish wring the brow, A ministering angel thou!"

Had it not been that I had another engagement on the day of the match, I should most certainly have gone to Chideock to witness what I am told, and am sure must have been, an exceedingly novel and interesting spectacle. This is, I believe, the first ladies and gentlemen's match that has ever been arranged in these parts, so that additional interest was taken in it. The ground, I hear, wore quite a gay appearance, people coming from far and wide to see these "modest" young ladies handle the willow. Going first to the wickets, the "Misses Petticoats" scored 21, the gentlemen bowling, I believe, left handed. The gentlemen passed the score of their fair admirers, making 77, the ladies not handicapping them, except, of course, that they used broomsticks. In their second attempt the ladies fared much better, making, I believe, over 50 runs. I am informed they credited themselves both in batting and fielding very well indeed, considering the short practice they have had, and taking into consideration that cricket, amongst ladies, is quite a new venture, we male admirers of the noble game must, heartily congratulate the ladies of Chideock on the manner in which they came forward and took part in this match. I trust that this small beginning may next season be the outcome of greater things, and that it may be an example to other ladies in Dorset and elsewhere to try their skill at cricket, feeling as I do, so very sure that at no very distant date cricket will be as popular amongst ladies as it is amongst gentlemen. On Monday, August 20<sup>th</sup>, a Bridport team journeyed to Axminster, but the weather turned out so inclement that no progress could be made with the match, the eleven returning in the early evening in a pouring rain. On Thursday, August 24, our citizen soldiers who so gallantly defended West Bay on that "memorable Sunday", indulged in a skirmish, not with the enemy just going round Portland Bill, but the cricket ball, which came quite near enough to bombard and be bombarded. A well-known "non-Com", led his "soldiers" in gallant fashion, but the fight was not so bloody, nor the march so long, the distance being from the pavilion to the wickets and back, shoulder arms, quick

march! Do you know what I heard a naughty boy say? The Non-Com couldn't take off his tunic because he hadn't got a shirt on. The thing seemed so ludicrous that I had a good laugh. Just fancy a man playing cricket without a shirt! Everyone was looking forward to a good match on Saturday last, the fixture on the cards being the Royal West Kent Regiment, but for the third time were doomed to disappointment. After waiting till nearly two o'clock and still "they did not come", a telegram was dispatched to the regiment. There was evidently some misunderstanding between the respective secretaries, the regiment replying that the match was on their cards for Tuesday, August 28<sup>th</sup>. ... On Tuesday, August 27, Bridport were amply revenged for their defeat at the hands of Symondsbury in the first match, by easily winning in the return. Bridport, not to be caught napping, put a stronger eleven into the field. By the way, what are ducks eggs a dozen now? They must have gone up in price lately. THE BLOCKER.

### **THE LADIES' AND GENTLEMENS' CRICKET MATCH AT CHIDEOCK 7 September 1888**

Sir – on reading your correspondent, 'The Blocker's', remarks on the cricket match between ladies and gentlemen at Chideock, I am struck by his inconsistency. He first asks (after styling the game "unfeminine") "Did their consciences smite them? Were they troubled with thoughts as to whether they were in their right places in the cricket field", and then exclaims "Oh ! for the modesty of women!" while directly afterwards he proceeds to express a hope that other ladies in Dorset and elsewhere may follow the Chideock ladies' example, and that at no very distant date cricket may be as popular among ladies as it is among men. Surely if the game be unfeminine (which I, for one, deny), and the fact of women taking part in it a reason for his exclamation, "Oh! For the modesty of women!" he should be the last to advocate its becoming even more general than it is at present, for although, "The Blocker", may not be aware of it, such matches as were played at Chideock take place annually all over England, without, I believe, bringing forth such remarks as those to which I take exception. I may add that the ladies were not consulted as to an account appearing in print. They might possibly have objected, but certainly not for the reasons your correspondent hints. Why he introduced Scott's hackneyed lines on "Woman", I fail to see. Surely he does not venture to insinuate that because a woman plays cricket she would be incapable of becoming a "ministering angel" when opportunity offered. I should rather maintain that her nerves being braced, and her muscles strengthened by indulging in that best of all English pastimes, she would be all the more fitted to minister to those in "pain or anguish". I remain, sir, yours faithfully, ONE OF THE "MISSES PETTICOAT", Chideock August 31<sup>st</sup>.
