

Chideock WI May Meeting

Such an entertaining **107th Birthday Party** had been arranged for us by our indefatigable committee. Thank You! We were treated to a truly magical afternoon with Jude Coram who tempers his magic with his skills as a graphic designer and illustrator, supported by his humorous repartee. A dynamic performance comprising first dates, dressing up and a brand of mentalism that would please Darren Brown himself. Funny and entertaining he is available for all kinds of parties and can be found on social media.

As if that wasn't enough it was followed up with a delightful birthday tea and special birthday cake: seen below with our President Mary Rogers and long standing member Diane Benjamin who has done some wonderful work on researching and cataloguing much of our 107 year history.

All in all, a lovely celebration.

Another longstanding member, Pat Bowditch, brought along some of the wonderful sugar craft flowers that she has made. Such skill!

And we said a very sad goodbye to our book group leader, Ros Hipkiss, above, who has gently and sympathetically managed our book group for the past eleven years. She is moving on to pastures new and will be sorely missed.

We meet on the first Tuesday of every month from 2pm at Chideock Village Hall. Interested parties and new members always welcome. For more information please see our website or contact Mary Rogers, email: stonefarmcottage@btinternet.com
