The Valley of Winniford Medical Aids Campaign Update

In June, we introduced our volunteer team dedicated to protecting our community by:

- **Expanding coverage:** Installing more life-saving automated external defibrillators (AEDs) registered on *The Circuit* for emergency access.
- **Promoting awareness:** Ensuring residents and visitors know where to find AEDs fast.
- **Offering training:** Giving locals the confidence to act in an emergency.
- **Fundraising:** Securing equipment, cabinets, and ongoing maintenance.

This campaign builds directly on the vital work of the local Women's Institute, which originally brought the defibrillator to the Spar shop in the Main St. That unit has been accessed several times in the last six weeks alone—a stark reminder of how essential ready access to a working device is.

Expanding from Four to Seven Defibrillators

Our area currently relies on four defibrillators: one at the Spar shop – Main St, two at Golden Cap Holiday Park, and one at the Anchor Inn in Seatown.

We are delighted to announce that **three new defibrillators** will soon be joining the network, bringing total coverage across the Vale to seven:

1. **Venn Farm (North Chideock):** Dr Rosemary Bass and her husband Dr Dylan Edwards recently moved to the area and joined our team. Dr Bass, a specialist in heart health, successfully secured funding for a new unit from the British Heart Foundation.
2. **Main St – West End:** Funded with the support of Golden Cap Holiday Park.
3. **North Road / Carters Lane Junction:** Funded through a combination of remaining WI funds and support from the Golden Cap Holiday Park.

Each complete installation—including the weatherproof cabinet, electrical connection, and setup—costs nearly £2,500.

Help Us Cross the Finish Line

To complete funding for the third installation, we need to raise an additional **£750**.

..../

Campaign updated continued

To ensure there is no delay in getting these devices live, Golden Cap Holiday Park has generously advanced us the £750 so that installations can happen next month. However, we need our community's help to repay this bridge funding. We never know when the next cardiac emergency will happen, but having these units ready may save lives.

If you can contribute towards the remaining £750, have questions, or would like to join our volunteer team, please get in touch:

CHIDEOCK SOCIETY NEWS

The Chideock History website is up and running!

www.Chideockhistory.org.uk Whilst we still have lots more material from The Chideock Society archive to add to the website, more photographs, memories, etc., we have at last made a good start. We are also grateful to Antony Broad and Neil Mattingly for allowing us to share the link to their website which shows beautiful photographs and maps of Chideock and Seatown. Please look at the website and if anyone has any photographs or memorabilia they would like added then please contact Lyn Crisp tel: 01297 489098 or lyncrisp@chideockandseatown.co.uk.

CHIDEOCK PRAYER NET

Lockdown seems a thing of the past, even though Covid hasn't gone away, and we now have other problems to take its place. Members of St Giles have always prayed for our village and neighbours, so if you would like prayer for a concern you have, or to share thanks for something (because good things still happen!), please send an email to chideockprayer.net@gmail.com. Your request will be sent on to individual members of St Giles; it will be kept confidential, and can be anonymous if you wish - even those receiving the request won't know who else is getting it. Thank you.

Chideock Village Trust

Following the successful launch of our new initiative to help fund school and college transport we are open for new applications.

Have you just done your GCSE's and are starting 6th form, college or an apprenticeship? You need to live in Chideock, but otherwise we are happy to look at all applications for transport

We had several applications last year for local schools, and Kingston Maurward and Weymouth colleges from people doing a wide variety of courses. Just email us at chideockvillagetrust@gmail.com

Chideock WI October Meeting

Turning Fact into Fiction Laura Wilde

Author of historical and contemporary fiction, Laura Wilde entertained us with a light hearted but most interesting account of her reasons for writing historical fiction and her processes in doing so, while using the example of her novel: The Ladies of Llanfairpwll, about the establishment of the first WIs, initially in Canada and then in the UK.

Laura explained that accounts of historical events in newspapers, court reports etc, have often been provided from a male perspective. She endeavours to engage with the female point of view, using artistic licence to weave a story together. Laura explained that the first WI was established by Adelaide Hoodless in Canada. Further to her son's death from drinking contaminated milk, Adelaide set out to educate other women through giving talks and in time the WI grew from this initiative. Adelaide died in 1910 but her companion, Madge Watt, emigrated to the UK following a family scandal and with the support of Colonel Stapleton Cotton, in 1915 the first 'Society' was established in Wales. Both 'ladies' and farmer's wives joined together to support good causes: children's homes, The Red Cross and provision of clean water among them.

Laura talked us through her own process, as an author and the stages she follows: initial research, visit relevant locations, establish her characters, work out a plot, draft and redraft, proof reading, cover design and publication. She has 17 novels to her credit and these can be accessed mainly via her website www.lkwilde.com and from social media and Amazon.

Laura's talk struck a strong resonance within our group as our own Diane Benjamin has herself documented the establishment and development of our WI in 1919 when 62 women, a real cross section of Chideock society, first came together. Diane used the well documented meeting minutes to construct her most informative summary which is currently available in Chideock Museum. Over a hundred years later our group continues to thrive with two new members having joined this month and people bringing friends along for a taster.

We meet from 2pm at Chideock Village Hall on the first Tuesday of every month and in between in a variety of sub groups. This month our tireless committee organised an evening out with delicious food, live music courtesy of two 'Lost Souls' and dancing. I'm not sure the ladies of Llanfairpwll would have been indulging in quite the same way! Curious?.....Do Come Along!

Would you like library books delivered to you?

If you [and /or a carer] find it difficult to get to our local libraries then we can deliver books or audio books to you every three weeks, chosen especially for you.

Just contact Maria.

CHIDEOCK HALL FILM NIGHT

Tuesday 17th Nov
7.00pm for 7.30pm

Song Sung Blue is a 2025 American [biographical musical drama film](#) starring [Hugh Jackman](#) and [Kate Hudson](#) as [Mike](#) and [Claire Sardina](#), who performed as the [Neil Diamond tribute band](#) Lightning & Thunder. The story follows Mike, a struggling musician and recovering alcoholic, who initially performs as a Don Ho and Buddy Holly impersonator. He meets Claire, a hairdresser and part-time performer, and

together they form a tribute act to Neil Diamond. Their journey explores romance, musical ambition, and personal tragedy, and dramatizes their rise, setbacks, and the emotional bond that sustains them through challenges. Based on a true story they prove it's never too late to find love and follow your dreams.

£5.00 Entry – cash or card payments accepted which includes free tea/coffee & popcorn

wine by glass or bottle, beer, cider & choc ices on sale during interval.

A perfect start to the Christmas season

Finishing the year on a joyful note, Axminster and District Choral Society's next concert presents works by the French Baroque composer Marc-

Antoine Charpentier. Even if his name is unfamiliar, many people will be familiar with one of them - the *prelude* to his *Te Deum* is the signature tune for the European Broadcasting Union, and is played in the opening of the Eurovision Song Contest. Its celebratory trumpets are also often heard at weddings. As usual the choir will be joined by professional soloists and orchestral players. The concert takes place on Saturday December 5th at the Minster Church, Axminster.

To book tickets for concerts visit their website www.xminsterchoral.co.uk.

A Riley Good Nosh Up at The Anchor Inn

Visitors to Seatown in late September got more than a view of the glittering sea when a gleaming lineup of vintage Rileys pulled up in the beachfront carpark.

A slap-up meal at The Anchor Inn was a fitting end to a run of monthly Summer lunches with The Riley RM Club's informal local group (see photo),

whose members mainly hail from West Dorset, East Devon and South Somerset.

The sun shone brightly on the cars on September 24th, showcasing to perfection an impressive display of lovingly polished chrome, and the nostalgic whiff of oil and old leather.

As well as meeting at informal monthly lunches over the Summer, this friendly

local offshoot of the international Riley RM Club exhibits at West Country vintage car shows and local village fairs.

This Summer, the local members showcased their vintage

cars during picnic hamper get-togethers in the grounds of Ford Abbey, a visit to the Coldharbour Mill Museum at Uffculme and the

Haynes Motor Museum at Sparkford.

Joining the Club is an ideal opportunity to roll out your vintage Riley from the garage and to pick up expert mechanical tips from fellow collectors. You can also buy specialist parts from the Riley RM Club website.

It's a fun excuse to showcase to the public some rarely-seen Rileys that span several decades - as do some of its longest-standing members!

The Riley RM Club is open to all owners of Riley RM series motor cars made between 1945-1957, owners of pre-war Nuffield Rileys and of post-war Healeys that use Riley mechanical parts. In fact, all Riley enthusiasts, even non-owners, those toying with the idea, or simply those who enjoy reminiscing about these characterful cars, are all welcome to join the fun.

WI CHRISTMAS FAYRE

Call for Stallholders, Crafters, Artisans

The Christmas Fayre will be held this year on Saturday 28 November in the Village Hall from 12.00 - 2.30 pm. Anyone who would like to have a stall should make contact with the WI via email - chideockwi@gmail.com. This year we will be charging £5.00 for a small table and £10 for a large table. If you know anyone who sells interesting products, please let them have this information.

Chideock Parish Council

Chideock Parish Council

Parish Council Clerk -Tom Faulkner

(clerk@chideockparishcouncil.gov.uk)

Parish Council Chair -Vanesse McAra, 6

Winniford Close, Chideock

Email - chideockparishcouncil@gmail.com

Website www.chideockparishcouncil.com

Facebook Group: Chideock Parish Council

The Clerk will seek to acknowledge receipt of an email within five working days. The Council continues to lobby various individuals, organisations, and bodies regarding the A35 issues experienced by the village. Parish Council Meetings are in-person at the Village Hall at 7pm on the last Tuesday of the month.

OCTOBER 2026 UPDATE

Preparing for Winter

Chideock Parish Council is small parish council, we do not have access to the linesman available in local towns, unless we pay for it. So, we are asking everyone in the village to take responsibility for their hedgerows, to ensure that they are cut back, so that pavements and public footpaths are clear for pedestrians to use. The only exception is on Main Street, which is supported by National Highways, and if you have a property that borders Main Street, then National Highways may be in contact if you have an overgrown hedge which covers the pavement.

Salt bins have been checked and where they need to be refilled, then an order has been placed with Dorset Council. Can residents who live near areas where ice may be present, please take a shovel and spread some salt on the road surface, or use it for your path or drive.

Flood prevention.

A successful public meeting took place in September, with a presentation (available on the parish council website) being shared by Dorset Council about

the two-year project that they have been delivering in Chideock to reduce flooding in the Seahill Road/Pettycrate Lane area. An action group was formed made up of residents, and on the 26th October 2026, the group alongside parish councilors and Dorset Council officers, will complete a walk around the various watercourses affected by the project. In addition, the parish council will be meeting with the National Trust to consider what action they have taken regarding the land that they own in Chideock. The meeting recognized that there are other areas of Chideock that experience flooding, and it is envisaged that the group will remain open to new members, as well as landowners.

As we enter the winter period, it will be important that all residents check their road drains, and if they become blocked that they contact Dorset Council to get them cleared out. Clearly, with leaves falling, this can seem an impossible task, but regularly sweeping away the leaves from the drains in dry weather will support flooding not becoming an issue.

The parish council are currently seeking a quote for the ditches and the sump in Clapps Mead to be cleared out. However, and this is an important point, if you are a landowner with a ditch or you border a ditch, or watercourse, then it is exceptionally important, that you do not dump garden waste in it, and that you keep the ditches free of vegetation from your side.

The parish council will be in regular contact with National Highways to ensure that they keep gullies and rains clear of vegetation and grit.

Update on Clapps Mead.

Work will commence to remove the old bridge structure in the play park and consideration is now being given to future new play equipment to replace it. In addition, the parish council will be writing to the BBC repair shop to see if they are interested in carrying out a restoration project on our 1947 see-saw.

Concerns relating to the use of E-Scooters in the village.

During the summer period, an incident arose where a young person was on an e-scooter on the pavement in Main Street. It is unknown if this individual was a resident or a visitor to the village, but at the time, an accident was almost caused by their sudden appearance. The parish council have sought advice from PCSO Bishop about the legality of the use of E-scooters, and he is clear that their use outside of restricted areas where it has been agreed, is illegal. PCSO Bishop has provided the following links to the government website.

Advice on e-scooter usage|Police.uk. The CPC are requesting that residents and business owners make it clear that e-scooters cannot be used legally in Chideock and Seatown.

Mill Lane/Bridle way 18.

Further to the statement regarding this matter in August, the parish council recognize and are seeking to clarify, that there is a difference between private rights and public rights regarding the new status of the restricted byway. Therefore, individuals who have private rights recorded in their property deeds, will continue to be able to use the section of Mill Lane that is now a restricted byway. The parish council are now seeking as a matter of some urgency for all signage to be updated, so that there is clarity for road users and for pedestrians. If you have any further concerns about this matter, then please contact the parish council.

Other meetings taking place.

15 October 2026 – The parish council will be attending a meeting about Miles Cross. An update will be provided at the next parish council meeting in October.

11 November 2026 – Remembrance Day at the Memorial.

18 November 2026 - The parish council will join Jan Britton, Executive Director for Economy and Environment for Dorset Council, and Cllr Simon Christopher, to discuss the various issues relating to roads in Chideock.

Need help with the cost of travelling to school or college this September? The Chideock Village Trust can help

As part of a new scheme, the Trust has decided to provide a flat rate grant of £500 a year to all young people in years 12 and 13 who are resident in the village. These grants are designed to support students to get to school, college or work placements - particularly vital given that public funding for school transport stops after year 11. All you need to do to access a grant is to send an email to: chideockvillagetrust@gmail.com

We also consider applications from residents for grants to cover other educational or preservation activities, for example, financial help to attend a school trip, or to preserve a historically significant public building or space. Just drop us a line using the above email address.

The trustees meet quarterly to discuss applications so you won't have long to wait to learn if your request has been successful.

**The Trustees,
Chideock Village Trust
Charity Number 1084576**

**Whole day Coast and Land experience's
for the adventurous family and people alike**

The days will be based in and around Seatown, Chideock, Lyme Regis and beyond.

- The experience will be muddy, wet and lots of fun!
- You will get to safely hold sea creatures.
- Get up and close with large Lobsters, Crabs and Sharks in their natural environment.
- We will also be taking to the woods in search of Fabulous Fungi.
- Climbing, Rambling and Rooting Around.
